

## 2017 Luggage Transport

If you do not have your own support vehicle and driver, we can provide some assistance. Please feel free to advertise on the event notice board to contact others, or we can provide transport for you and your baggage between stages.

This service is available during the event only i.e. you must find your own way to Lower Hutt before the start of the tour and home from Pukekohe at the end of the event.

**However, If you book the Accommodation package also, you luggage WILL be transported to and from your Motel/Hotel.**

Please note the Transport option only involves transferring your luggage from the start area each day to the finish line each day. We will NOT transport bags to hotels/Motels/Camp sites etc. This is your own responsibility.

Your luggage will be made available to you between stages each day (If applicable).
