

Team Requirements for 2018 Team Nationals –

- The 2018 event will see a Swim event as part of the weekend. Two members of the Team must be able to supply their own Wetsuits to swim in. This does not have to be 1 x Male and 1 x Female it will be up to you what two members of your team will be swimming.
- Medical Conditions – If any members of your team have had medical conditions or medical complications in the past you are required to inform us of these prior to the event for approval to compete. Your Safety and Health is a priority for us.
